

## 2012–2013 Registration and Tuition

There is a non-refundable registration fee of \$120 for each child. The registration fee for an additional child from the same family is \$60. Kindergarten classes have a \$100 workbook fee. To register your child, fill out the Registration Form and bring to the Weekday Office.

For your benefit the yearly tuition is prorated over a nine-month period. The fees are due and payable on the first day of each month beginning September 1 and ending May 1. Payments are late after the 15th of the month and a late fee of \$20.00 is charged after this date.

A 10% discount on the tuition fee is allowed for each additional child when there is more than one child from the same family. A 10% discount on the yearly tuition fee is allowed if the yearly tuition is paid in its entirety by September 15, 2012.
